

Khutsong Farm Feeds

Khutsong Farm Feeds is a proudly Lesotho-based agribusiness specializing in premium livestock nutrition.

Our products are formulated with precision to ensure maximum health, productivity, and profitability for your livestock.

Our Product Range

- Poultry Feed - Scientifically balanced for layers and broilers.
- Cattle Feed - High-quality feeds to boost growth and milk production.
- Pig Feed - Nutritionally complete for healthy weight gain.
- Sheep Feed - Tailored nutrition for sheep health and wool quality.
- Goat Feed - Ensures strong immune systems and reproductive health.

Future Plans

Khutsong Farm Feeds is expanding into briquette production, supporting both environmental sustainability and alternative energy solutions for the farming community.
